Q1. Read the passage carefully and answer the questions given below: -

In today's world, the computer has become a part of our lives. It has made our life easier in many ways. We use computers in school. When we use a computer, the stories that we used to read in books, come alive before our eyes. This helps us to understand and learn better. In a way, it has also saved us from carrying heavy school bags. This is so because we don't have to carry our heavy books to school any more. Through internet, we can gain a lot of information on the computer. This information helps us in our school projects. Computers also entertain us. We can listen to music and play games on it. Since we are too young, we have to be very careful while using the computer. Excessive use of computers has its side effects too. It might weaken our eyesight and even effect our concentration level. So we must we must use computer only when it is required.

(A) Answer these questions:-

- i) What has become a part of our lives?
- ii) How internet helps us?
- iii) How do computers entertain us?
- iv) What is the side-effect of using excessive computers?
