

SUBJECT: ECONOMICS

OBJECTIVES OF ECONOMICS :

Economics is one of the social sciences, which has great influence on every human being. The economics courses will help the students to develop skill to observe and understand the economic realities.

OBJECTIVES OF THEORY:

1. Understanding of basic-economic concepts and development of economic reasoning which the learners can apply in their day to day life as consumers.
2. Realization of learners' role in nation building and sensitivity to the economic issues that the nation is facing today.
3. To develop an interest in the theory and practice for economics in daily life.
4. To enable students to act more effectively as consumers and citizens.

OBJECTIVES OF THE PROJECT WORK

1. Probe deeper into theoretical concepts learnt in class XII
2. Analyze and evaluate real world economic scenarios using theoretical constructs and arguments.
