

**DELHI PUBLIC SCHOOL, JAMMU**  
**SYLLABUS BIFURCATION SESSION:**  
**2023-24**

Class: XI

Subject: History (027)

**Objectives:**

The chapter provided in the CBSE Class 11 History is focused on many important topics from the time of first civilization to the freedom of the nation from the British.

History describes the outline of the nation's achievement to date which has a major role in the present situation. It explains those main events and revolutions that happened in the past which resulted in the freedom that we enjoy. The explanation of the ancient civilization and achievements that are still unknown in the present age.

The main objectives of the syllabus are highlighted as under:

1. *The objective of History is to provide insight into the past, present and the future.*
2. *The aim of History education is to help students learn about the social, political, economic and religious developments in the past.*
3. *It will help students in learning relationship between the past, present and the future.*
4. *Students will also develop critical thinking, analytical power and communications skills.*
