

Dear Parents, Guardians & Caregivers

We are now fast approaching the last day before the school closes for Summer Vacation from 15th June to 15th July, 2020. We have made it thus far! I know that the last few months of the year have been challenging for you as parents & guardians as you struggled to navigate through the pandemic, your home front, child-care, remote learning, staying healthy, and overall safety of your family. I could not be more proud of our faculty, staff, community and our parents for helping our children finish up till this point so strongly. This experience will no doubt help teach our young ones the 'grit' that it requires to succeed in tough times such as these with COVID -19. So, congratulations to YOU and our children for their enthusiastic approach towards the newly introduced DPS Jammu's e-learning platform and for adaption to the new learning processes that came along your way.

Please do take out some time to especially congratulate our young children for coming this far successfully and let them know that their online school journey will certainly prove to be a very important step for their future. I am sure that in a few years from now, their online education will shape their future in many new ways, turning to be a springboard for their further progress.

Our Pre-Primary teachers have prepared videos of their respective classes, capturing the engaging moments of children's fun and creative activities that will be made available on respective class WhatsApp groups by or before 20th June, 2020.

Our Primary, Middle & Senior teachers have prepared online result and will soon be ready with online mark sheets too which will be shared on their class WhatsApp groups by or before 20th June, 2020.

Further, all question papers of Self- Assessment Test -1 along with their answer keys will also be uploaded on the google drive so as to give our children a fair idea of the expected learning outcomes of each subject. The same can be accessed through their e-timetables.

Holiday homework, Quizzes, and online student-teacher engagements are also being planned to ensure ongoing learning during the summer holidays. Further, the details of online interaction with parents will also be shared by the Academic Coordinators soon.

Our Summer Office Hours will begin from June 15th, 2020.
