

DELHI PUBLIC SCHOOL, JAMMU

SESSION 2022-23

Assignment-MAY

Class: IV

Subject: English

Q1. Read the given passage carefully and answer the questions given below: -

Monsoon comes to India after the heat and dust of summer. It brings with it rain, thunder and lightning. The earth cools down with the rain. The time is right for farming. You can see small plants coming out of wet earth with their tiny, bright green leaves. Everywhere, it is green. Monsoon is the time of colours and music, flowers and festivals. Baby birds' are born. You can hear them chirping if you listen carefully standing under the birds' nests. They keep chirping for their mothers to bring food for them. Frogs start a singing competition at night. Crickets do not fall behind. You can hear their music if you sit quietly in the dark. The music of the rain on the roof and on the window panes sounds magical. It is very pleasant season.

A) Answer the following questions:-

- i) What is the right timing for farming?
