Q1 Read the passage and answer the following question:-

In 2003,there was some exciting news from India for scientist around the world. It was the discovery of a new species of monkey, which was later named the Arunachal macaque. The new monkey was discovered by a group of international scientists in the forest of Arunachal Pradesh, one of India’s north-eastern states. The Arunachal macaque , which is big and brown with a short tail and an orange –brown tuft of fur on its head had never been seen by scientists before. But the tribal people of Arunachal Pradesh had always known of the monkey’s existence. They call it munzala. When the munzala raids their barley and paddy fields , they shoo it away . In prehistoric times, thousands of years ago, people India painted pictures of animal they saw, hunted and admired, feared and worshipped. The paintings in the caves of Vindhya mountain show that are ancestors knew about animals like bison, antelopes, tigers, horses and bears. The birds and beasts of our country are depicted in our literature, paintings, sculptures and crafts .

Q2 Read the poem and answer the questions that follow:-

Over the hill
First sight of the sea
Lying sunlit and still
Just waiting for me.

I race from the land
In the clear morning light
To rock pool and sand,
Shells whiter than white.

Birds ride the sky,
the wispy clouds there
soft floating ,and
I am walking on air.

A) Choose the correct answer:-

- i) From where the poet gets the first sight of the sea?
 - a) Trees
 - b) Hills
 - c) Beach
- ii) Who is waiting for the poet?
 - a) Sea
