# Green School Drive (Campus Cleaning Activity)

The students of class Prep and 1st participated in the 'Green School Drive' wherein they involved in the campus cleaning activity. The little kids turned into the real brand ambassadors of this Swachhta Mission. They were involved in cleaning up their class rooms, library, play ground, activity room etc. The students actively took part in this learning while doing activity. They picked-up wrappers, papers, dry leaves, etc from the campus and disposed them off in proper dustbins. Through this activity, they learnt the proper and judicious segregation of biodegradable and non-biodegradable wastes and their proper disposal. The 'Blue' and 'Green' -coloured dustbins were made familiar among these young Waste-Warriors and they further pledged to follow the same at home also.

## Swachhata Participation Day Slogan Writing

A slogan writing activity was organized on account of Swachhata Participation Day for the students of Classes I and II. The activity aimed to spread awareness among students to keep our surroundings neat and clean to live a healthy life and also to stay away from diseases. Students presented colourful and catchy slogans and also prepared decorated banners on the theme. The slogans emphasized how every little effort counts and how each one of us are accountable for bringing a change in the mindset of people. Few of the slogans presented were:-

- 1) Put the trash in the CAN, man!
